UNO SHUTTER COLLECTION

SINGLE CLOSURE SHUTTER SERIES

UNO SHUTTER COLLECTION

The best quality shutters in the market is now even more affordable with Aspect's new Uno Collection.

We are introducing our most affordable shutter range where quality is never compromised. We stand by our products, and we have one of the best warranties in the industry.

Our two new products Paulownia and Eco Smart Single Closure shutters are manufactured from sustainably sourced materials to suit your styles and needs.

Why the Uno Collection

- Stunning to look at, easy to use, and of the highest quality, Uno shutters will transform your home
- Suitable in any room even in high moisture areas due to the combination of polymer frames and paulownia wood blades
- Crafted from a sustainable hardwood or an ecosmart polymer
- Comes with one of the best warranties available in New Zealand
- Uno collection is the most affordable range Aspect has ever launched

Paulownia single closure

- Classed as a sustainable hardwood
- Excellent insulation or thermal properties
- Can go in bathrooms but no direct contact with water or heavy condensation
- Combination of Polymer frames and Paulownia wood blades
- Fastest growing and ecologically friendly timber on the market
- Can do raked shapes and double-hinged in bathrooms
- Lightweight wood
- 15-year warranty on the structure and material used to make the shutters, 5-year warranty on the paint finish and hardware

Ecosmart single closure

- Durable and water-resistant with an exterior paint
- Can be used in all areas, indoors or outdoors
- Certified non-toxic
- Easy to care for and the best value for money
- Interior and exterior paint finish options
- Re-engineered stile with a 20-year warranty on the structure and material used to make the shutters, 5-year warranty on the paint finish and hardware
- Suitable for high humidity or moisture areas

All our colours are UV resistant, environmentally friendly, low VOC and water-based paints. The highest quality for your peace of mind.
